

Waste Management & Recycling Policy

General Statement

Magic Man Limited is committed to delivering good environmental practices throughout its business operations. Key to this is the implementation of the 'Waste Hierarchy', which puts the most emphasis on Waste Prevention, followed by Re-use, Recycling, Recovery, and finally Disposal.

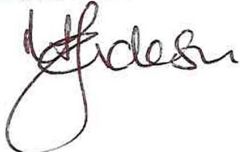

Specific Aims

As part of the Company's commitment to protecting the environment and reducing waste, it has adopted the following specific aims:

- To cultivate a work ethic with a high level of awareness of waste management issues, and waste minimisation.
- To identify technical repair solution that reduce waste arisings and resource consumption.
- Encourage the use of recycled and reclaimed materials, including materials derived from sustainable sources.
- Where possible, procure materials that are non-hazardous.
- Minimise waste through the reuse and repair of equipment and materials.
- Segregate WEEE.
- Segregate all wastes to maximise their recycling potential.

Review

This policy shall be reviewed at least annually.
